Dear Mr. Korkia,

We appreciate the Citizens Advisory Board allowing us to use a part of your monthly meeting in March as a public hearing for the proposed Monitoring and Maintenance/Post-Closure Plan for the Present Landfill at Rocky Flats. Responses to verbal comments received during that hearing are included in the enclosed table of responses to all comments received during the public comment period. These responses resulted in numerous changes to the document. You can view a final version of the Plan at the Site Closure Document page of the Rocky Flats website: rfets.gov.

Please let me know if you have questions regarding these responses.

Sincerely,

Carl Spreng
